NAPIER INTERMEDIATE SCHOOL

Principal: Wendy Gray

"Dynamic Learning

September 2011

Dear Parent / Caregiver,

I am aware that you will be making decisions soon about your child's placement for school for next year. I have pleasure in providing you with our 2012 enrolment package.
Before you decide on the next step for your child we ask that you seriously consider Napier Intermediate School. We have moved in new directions and with the replacement building project we will be able to provide facilities built for 21st century learning. I am looking forward to the exciting possibilities that the future offers Napier Intermediate and would like your family to be part of this future.

The Staff at Napier Intermediate are committed to and have an ability to relate to adolescent students. We have a very supportive learning environment within a structure that has very clear standards and expectations for student behaviour as well as learning. As a school we are continually working to improve standards.

I ask that before you make your decision you come and have a look at our school and/or you meet with me to discuss what Napier Intermediate School has to offer your child. Please do not hesitate to phone me on 8356013 to arrange a convenient time to meet with you. We will also organize for some of our students to show you and your child around the school. Our Open Evening is to be held on Tuesday the 8th of September, from 5.30pm to 7.30 pm. Our Open Evening will give you an overview of what this school has to offer your child and also to show you how the school operates on a daily basis.

Our prospectus and enrolment forms are enclosed, along with a stamped addressed envelope. As part of the consultation that happens every year we have a section in our enrolment form which asks parents to indicate whether they wish their child to be in a straight year level class, a composite class or they have no preference. For 2011 we were able to accommodate parent wishes for class placement very successfully. In addition to the choices above please consider the option provided by Napier Intermediate for your child to be a part of a 'boys' only' or 'girls only' class.

A parent information book will be provided to all students enrolled with my November/December letter. A letter will also arrive in January outlining the organisation for day one of 2012.

I would appreciate enrolment forms returned by the 30th of September so we will know what places are available for out of zone students. We will then be placing your child in an appropriate class for 2012.

Thank you for considering Napier Intermediate School. Please don't hesitate to contact us if you have any queries.

Yours faithfully,
Wendy Gray
