'Dynamic Learning'

February 2012

Dear Parents and Caregivers.

Our students have the opportunity to hear Electric Music play on Wednesday 7th March. 1:30 in our school hall.

Electric Music with Andy Jones, is a performance showcasing many music styles and cultures using contemporary instruments and electronics to engage, educate and inspire.

Andy is entertainment plus. As part of our music programme we would like all students to experience this performance.

The cost is \$4:00 per student payable at the office.

Thank you for your support
